OUR CAMPUS

THEATER & EVENT CENTER

The Theater & Event Center has over 14,000 square feet of meeting space including a 232-seat giant screen theater, 3 conference rooms, and 2 boardrooms. Our meeting rooms make the perfect setting for your next corporate function.

SPACE MUSEUM

The Space Museum is the largest venue in the Willamette Valley, and it is truly a unique venue at that! The floor of the Space Museum can be reserved for an after-hours event, while the mezzanine level of the museum, containing a banquet hall and 2 conference rooms, is available during all regular hours.

THE LODGE

A log chapel situated in the heart of Oregon's wine country and nestled among vineyards, the Lodge is truly a picturesque location for any special occasion. The Lodge is a perfect venue for weddings, memorials, holiday parties, and banquets.

RECEPTION HALL

A new reception hall adjacent to The Lodge is currently under construction, and will be ready to host events in early 2025. The reception hall was designed with weddings and social functions in mind, and will overlook a future vineyard. The Reception Hall will also include an outdoor ceremony space.

NORTH LOT & OAK GROVE

Get creative with your next outdoor event with the North Lot and Oak Grove. The North Lot contains over 500 overflow parking spaces, and butts up to the serene wooded Oak Grove and Oak Grove walking trails. Car shows, concerts, sporting events, and more are all possible in the North Lot and Oak Grove.

AVIATION MUSEUM

Home of the iconic Spruce Goose, the Aviation Museum is a hallmark of Oregon tourism. Museum admission can be incorporated into your next event through our partners at Evergreen Aviation and Space Museum, a registered 501c3.

WINGS & WAVES WATERPARK

For more all-ages fun, look no further than Wings & Waves Waterpark! Wings & Waves is a fully indoor aquatic center with multiple slides, pools, and attractions, and is open year-round. Waterpark admission can be incorporated into your next event through our partners at Wings & Waves.

FUTURE HOTEL

For our clients booking events in 2026 and beyond, be on the lookout for our upcoming hotel project. The hotel will have around 100 rooms, with room rates in a moderate price range for families, wedding room blocks, and traveling corporate groups.
